INTRO TO INTERMEDIATE CODING

MINECRAFT MODDING

REGISTRATION
\$120
FOR ENTIRE
12 WEEK SESSION

FOR GRADES
4-7

STARTS
WEDNESDAY
FEB 3
FROM 6-7 PM

FUN & CREATIVE
**VIRTUAL
CLASS**
LAPTOP OR TABLET REQUIRED

In this class, we introduce students to the platform for coding on Minecraft. The interface is similar to Scratch. We will teach computer programming methodologies commonly used in actual programming languages, all while having fun!
